

Video 1

Int. Boss office

(The Boss takes a sip from his coffee cup. Lisa is sitting in front of the desk with a box of office supplies on her lap)

Boss (sitting at his desk)

We are firing you because... (looks at manager)

Manager

Because of the reason we told you before!

Boss

Yes exactly!

Lisa

You didn't give me a reason.

Boss

Well, the reason is...

Manager

...Because we do not get along!

Lisa

We don't get along?

Boss

No no you two do not get along, and you must get along with your manager. So, we have to let you go. But we wish you good luck in your future endeavors!

(We get to see a freeze frame of the Manager and the Boss with the text next to them saying. "It was because Lisa was not going to the afterwork dinners or worked overtime that they fired Lisa." New image of the boss and Manager in midair after a jump, looking happy and it is

new text next to them that "But Lisa could not prove it, so she had to find another job and the Manager and the Boss lived happily every after")

Video 2

Int. white background - day

A woman stands in front of a white background with big smile, she is dressed in office attire.

Lisa

Welcome to this episode of employees training! Let's start, so you can become part of our amazing Corp family as soon as possible!

It is very important to give our consumers and colleagues a good impression of you, so to come in with a smile every day is very important.

To make sure that you can keep on smiling while you are on the clock, please keep your personal life out of the workplace. We can provide you with resources that can help you find a good work life balance.

(Lisa stops smiling.)

Boss (Outside of frame)

Cut!! Lisa, I know you are upset that this is your last day working here but can you at least finish the video?

(Lisa leaves frame and the boss walks into frame)

Boss

You will get paid! (A sound of a door closing) (boss shouts louder) You need the money!

Boss

Oh well, I guess I will have to finish this video then. Where
were we?

(He thinks)

Boss

Oh well I know what this video needs!

Action!

To keep our employees up to the standard will we make sure that
everyone knows our company's values. Since you are becoming a
part of our family is it important that you know the most
important company value. OUR CUSTOMERS EXPERIENCE. A customer is
always right!

So, stick to that value and everything will be fine, and we will
gladly welcome you to our family. Cut! You can cut in that and
make it look good Mark!

(Boss leaves frame and we hear a door close)

Mark (out of frame)

Eeeeh well this was a video about smiling...

Int. White background- Evening

A tired and nervous Mark is walking back and forth in front of
the camera.

Mark

Oh no oh no oh no, okay Mark you can save this video! You really
can't lose your job right now.

(He stops and looks into the camera and adjusts his clothes)

Mark

So, it is very important to keep smiling and stay positive
because... because Because you want to get paid! No! Because

that is what the Corp family is all about! See you in the next
episode!

Video 3

Int. Bedroom - day

We see Mark on a phone screen.

Mark

Because that is what the Corp family is all about! See you in the
next episode!

(We zoom out from the screen)

Future employee

...I think I need to rewatch this episode.

(We hear a clicking sounds, and the beginning of the video with Lisa starts on the screen and then we get closer and closer to the screen until we suddenly zoom out and see the video on a computer.)

Int. Office - day

We see the video from video 2 on a computer in the boss office. We see the Manager in the background sitting in front of the desk.

Manager

What do you think?

Boss

Do you really think we are going in the right direction?

Manager

Yeah, I do! Or what do you mean?

Boss

That our profit is going downward again, the profit from changing our ethics and expectations from our employees, is so too small. People used to really look happy coming in to work and now they just seem to smile for the sake of it.

Manager

But isn't that a sign that we are going in the right direction we just didn't go far enough? If the profit is small from this change, imagine a bigger change!

Boss

I honestly don't know. Maybe it was wrong to fire Lisa.

Manager

Come on! We can't help that Lisa got caught in the crossfire. We had to do what was best for the company. Lisa just didn't fit. Not in our new vision. You did what was best for this company.

Boss

You are right. I don't know what I would do without you.

Manager

Don't get all mushy on me... But I have some new ideas on changes to improve the company.

Boss

Let's hear them!

Manager

You know that Mark guy, I haven't seen him smile at all recently, nor participate in the company dinner yesterday evening that we arranged instead of giving out bonuses...

(Knock on the door)

Boss

I like how you think but we will have to discuss this later.

Come in!

(Door opens and in comes Future employee)

Future employee (opens the door and enters the office)

So sorry for disturbing you but it is my first day and I was told to come here.

Boss

Oh yeah! (Turns to the manger) They are supposed to take over
Lisa position, could you show them around?

Manager (manager heads to the door)

Sure! This way!

(They leave and we can see the Boss coffee cup, the Boss picks it
up so it leaves the frame)

The End
